

The Hills Christmas Dinner

The eighteen members of The Hills NWR really enjoyed our Christmas dinner which we celebrated at The Fiddler in Rouse Hill. It was a very nice venue with great food and we forgave the few hiccups due to staff shortages and inexperience. We've decided to do the same this year even though it is a bit more expensive, as it takes away the burden of preparing one's home for a large gathering and the resulting clean up.

Cheers, Michele LO The Hills
